

DOUBLE CHARRED

BY COAL OFFICE AND JAMESON BLACK BARREL

A fervent dinner combining Jameson Black Barrel Whiskey Cocktails and the art of grilling over fire at Coal Office restaurant.

Expect a curated charcoal gastronomy, warm atmosphere and seasonal whiskey cocktails.

Jameson Black Barrel (@jamesonuk) is a multi-award winning whiskey, made from a blend of 'small batch' grain and traditional Irish pot still whiskeys.

Jameson Black Barrel is matured in a combination of American oak, sherry casks and double charred bourbon barrels.

The time spent maturing in these barrels lends this whiskey intensified notes of vanilla sweetness and caramel, alongside toasted wood, fruit and warm spice.
